About

Senior Web Developer specializing in front end development. Experienced with all stages of the development cycle for dynamic web projects. Well-versed in numerous programming languages including HTML5, Python Django, JavaScript, CSS, MySQL. Strong background in project management and customer relations.

Education

- CSE, Leading University

Bachelor of Science

I am doing Bs.c in Computer science & Engineering at Leading University. One of the award recipients for the best graduate of the university at the time.

Experience

Apify Lab

Developer | Experienced

Apifylab is an Bangladeshi freelancing platform where enterprises and individuals connect in order to conduct business. I was there as a Web Developer.

Rakidon

Web Developer | Jan 02, 2022 - Experienced

Rakidon is an established design agency. We help B2B companies stand out as the most prominent leaders. Reliability and professionalism are our main maxim.
